Subject: RE: [Reminder] All Remaining COVID-19 Exemptions Due NLT 24 Nov 21

Good Afternoon All,

To clarify the dates, FRAGO 11 listed the exemption submission deadlines as “NLT 14 October 21 for AC Marines and Sailors, and NLT 1 November for RC (AR/SMCR/IMA) Marines”.

However, Change 1 to FRAGO 11 published via AHMS on 8 October 2021 states the following (also attached):

“3.B.4. Per Ref (b): Members requesting medical exemptions/waivers or religious accommodations shall do so no later than 24 October 21 for Active Component (AC), and 24 November 21 for Reserve Component (RC) (AR/SMCR/IMA).”

Please ensure all your personnel are tracking this important change.

Very respectfully,

(b)(6)

Captain, USMCR

Subject: [Reminder] All Remaining COVID-19 Exemptions Due NLT 24 Nov 21

Good Afternoon Ladies and Gentlemen,

BLUF: All remaining SMCR requests for religious accommodations or other exemptions related to the mandatory COVID-19 vaccination are due to 4th MarDiv G-1 no later than 24 November 2021 (close of business). All active component packages were due to the G-1 24 October 2021, so we should be rounds complete on receiving active or active reserve packages.

The deadlines of 14 November and 14 December (for active and reserve components, respectively) for mandatory enforcement actions are rapidly approaching according to the definitions listed in MARADMIN 612/21 for members considered to have “refused the vaccine”. Therefore, it is imperative that we route remaining requests for consideration in a timely manner that enables us time to review and endorse at the CG level prior to submission to HQMC.

The G-1 will continue to assist in the expeditious routing of remaining requests and will stand by to provide guidance and assistance for follow on actions as required.

Very respectfully,

(b)(6)
